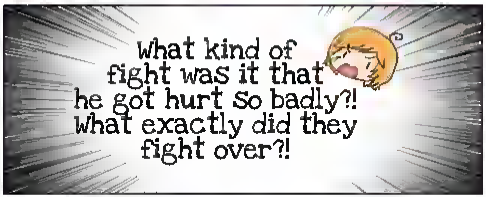
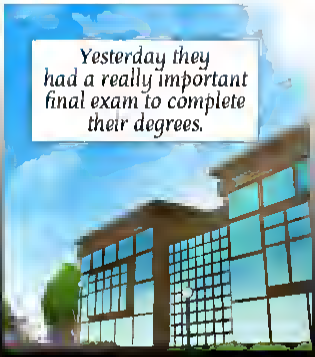
To summarize quickly, Hanbit and - you know the kid with the glasses? His name is Lee Ran. They fought yesterday.
Fo...Fought? Why?

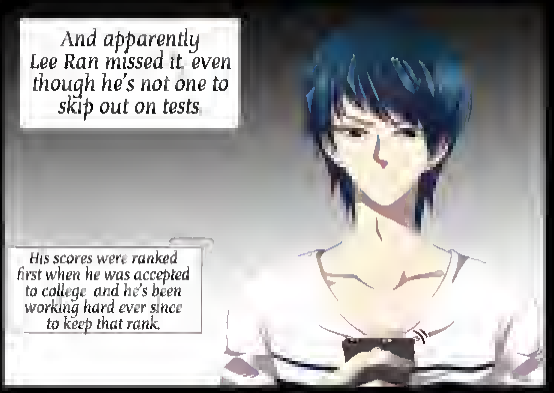


What kind of fight was it that he got hurt so badly?! What exactly did they fight over?!

Kid, whoa whoa Let me finish
Hm?



Yesterday they had a really important final exam to complete their degrees.



And apparently Lee Ran missed it even though he's not one to skip out on tests
His scores were ranked first when he was accepted to college and he's been working hard ever since to keep that rank.

Hey, he's not picking up? Didn't he say he spent the night at your house?
This professor doesn't even excuse tardies...If he misses this test it's the end for him.
The assitant professor is already here.

Was I that tired? Why would I have used a blanket while studying for a test?

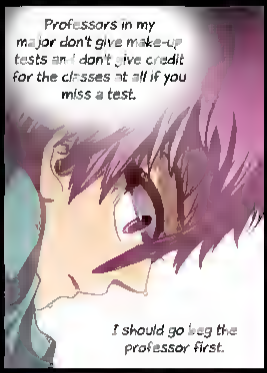
OMG, the test!!

I'm So dead!
By missing the test, I messed up my chance to finish my degree!



Professors in my major don't give make-up tests and I don't give credit for the classes at all if you miss a test.
I should go beg the professor first.

Calm down, calm...
How can I calm down!? There's a 100% chance I'll get an F for that course. Then... This semester

Next year, Jin will be going to college too. Even though Jin is helping out by working, our mom is stressed about our financial situation.

I can't even get a student loan since Mom would worry. My part-time job only pays for my living expenses at the most.

Wait a minute.

I know the outcome of your situation hasn't been determined yet, but I'll ser... you the money now.
Hey, Hanbit!
You've been saving that for ages.
Don't do it. It's my problem, not yours

I was thinking I'd just study up and get ready for next semester. So don't worry about me.
Also, does money mean nothing to you? I'd hate the thought of being a burden to you.
Hey, this isn't the place to be talking about this. Let's go elsewhere.

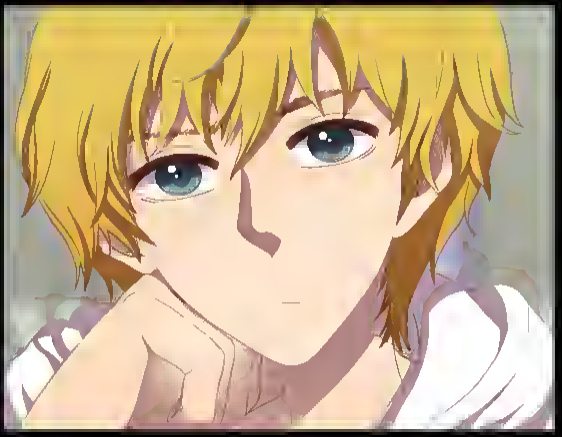
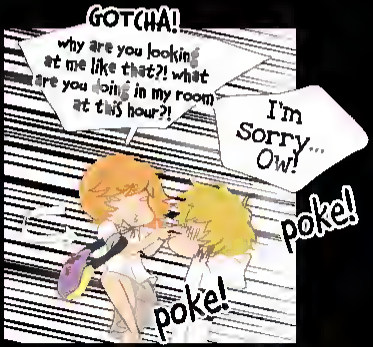
Our Relationship (2)

The morning of the day in question, before things went wrong.

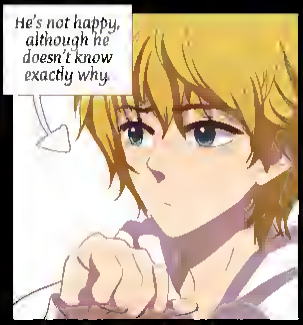




Let's review the rules.
It is forbidden to wander around the house from 9:00pm to 7:00am.

Huhu~
Now I'm leaving.
So mean...

She was so excited after spending time with Hanbit during his M.T.
Women are so hard to understand.
But now she's sulking because she hasn't seen him since



He's not happy, although he doesn't know exactly why.

Oh, oh!
Ah-

If she's curious about how Hanbit's doing, I'll go see how he is and tell her he's fine. Since it's only morning, he should be at home.

So I will be leaving for school and both my parents will be leaving for work.
I'll put the keys on my desk. Lock up when you leave.

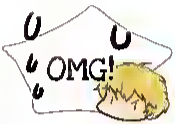
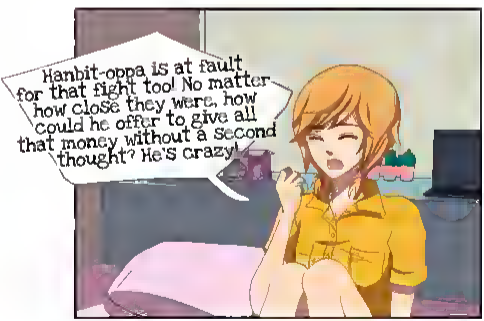
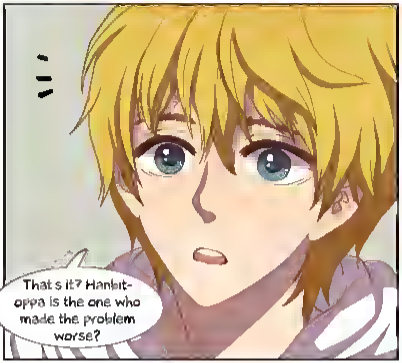
For example, the artist of this webtoon's college fees could buy about 20,000 to 25,000 pieces of your favorite candy



OMG!



Hanbit-oppa is at fault for that fight too! No matter how close they were, how could he offer to give all that money without a second thought? He's crazy!



That's it? Hanbit-oppa is the one who made the problem worse?

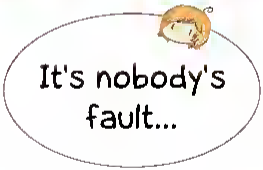
I don't know.
Hey... Will you stop treating me like a dog?



It's nobody's fault...

They were mad enough to fight,

Isn't it a good thing that he wanted to help?
Why did the other Hyung get mad?

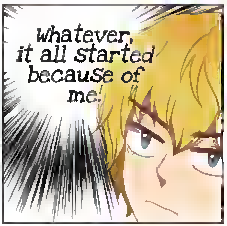
Hey~ Don't ever think it. You didn't cause anything on purpose.
It happened the way it did already and now it's up to the girls to figure things out.



Whatever, it all started because of me!

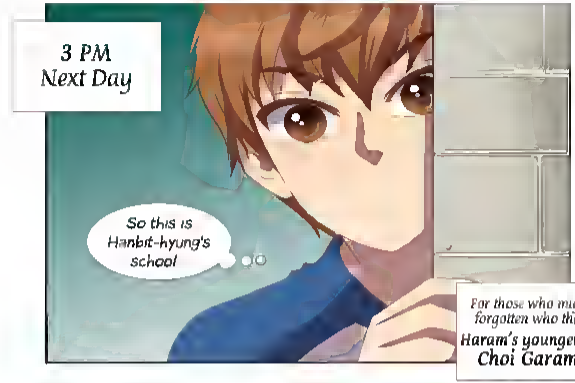
Our Relationship (3)



3 PM
Next Day
So this is Hanbit-hyung's school
For those who might have forgotten who this kid is,
Haram's younger brother
Choi Garam (12)

I should first assess the current situation between the two hyungs and plan out their reconciliation

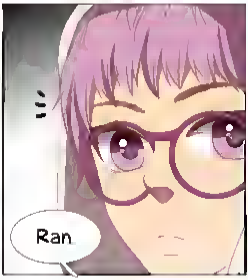
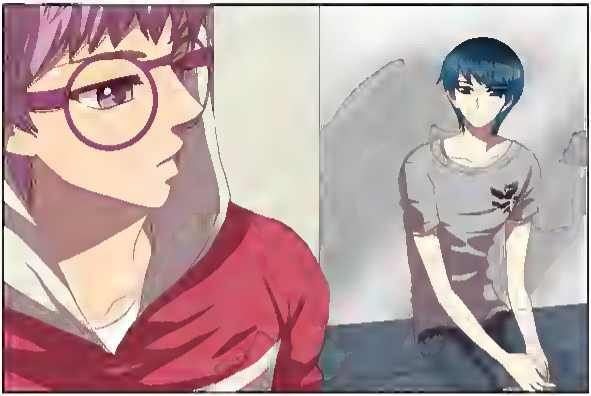
Going off of what Haram had said before, he asked around for directions
Nunaa! Where is the Dadae Building?
He successfully found the building where Henbit's classes are held.
Their vacation starts tomorrow...
Hm
Why haven't they apologized to each other yet?

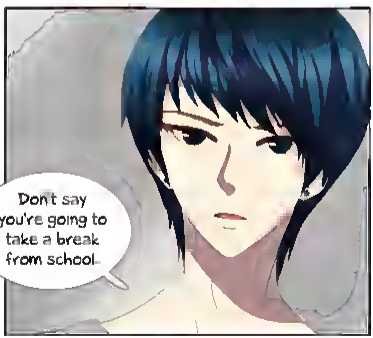
I wonder what the professor's intentions are... Asking for a meeting right before summer break starts.
He wants to give me hell, huh?
I'm Professor Han
Who are you?

THE PROFESSOR MEANT TO TRAP US.
S...Scary...
Uh oh. I guess I have to go win him over then.



Ran

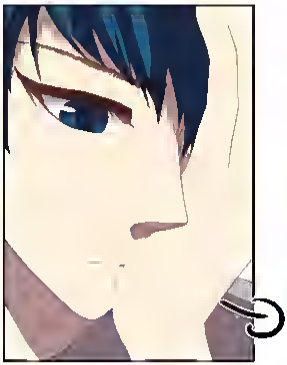




Don't say you're going to take a break from school.

Don't overreact.
I'll take care of my
own problems

Excuse me,
Professor
knock
knock



Ran said as soon as his meeting is over, he's going back to his parents.
Do you really want to end the semester this way?

So, they still really aren't
talking to each other

Now that I see the situation myself, I understand it less
Are all friends like that?

If they sat down and had a heart to heart talk, shouldn't that dissolve all misunderstandings between them?

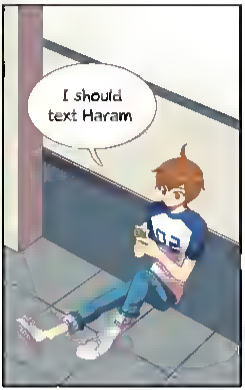
I don't understand too much, but from what I've seen, not being up front with each other has led to misunderstandings
dash
Oh my, really?

you promised not to tell Dad that I got in an accident riding Junhyung's motorcycle!
why did you tell him?! I got into a lot of trouble!

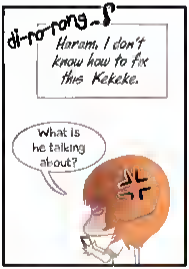
But I don't think
Ah, it's so annoying! He said that he'll see me when he gets back.

This whole thing could be solved if they would just talk it out. But instead, they hurt each other without meaning to
thud
thud
I'm used to it
It's alright, I don't need any help
Really

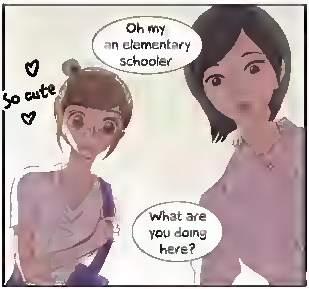
Hanbit doesn't usually say much, so that makes sensitive situations worse. Try and get them to talk to each other.
Hm.



I should text Haram



di-ro-rong-S
Haram, I don't know how to fix this. Kekeke.
What is he talking about?



So cute
Oh my an elementary schooler
What are you doing here?

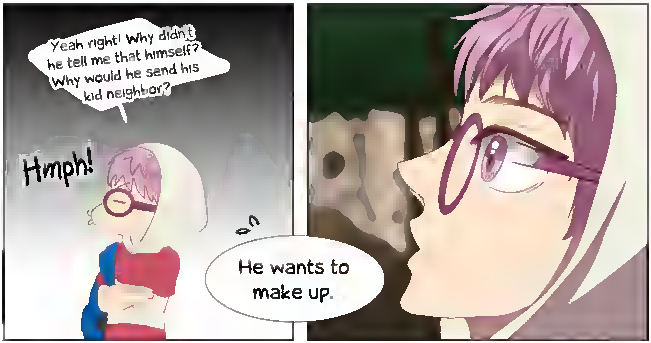
Hanbit-hyung told me to tell you

A little white lie



Yeah right! Why didn't he tell me that himself? Why would he send his kid neighbor?

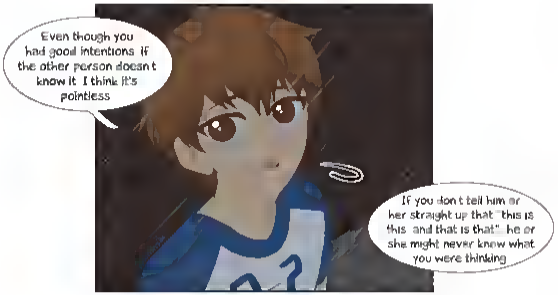
She told me she heard it from a hyung
Schwaaaa
She's very worried about you
I guess she asked Bakha
I didn't tell her because I didn't want her to worry



Even though you had good intentions if the other person doesn't know it I think it's pointless
If you don't tell him or her straight up that "this is this and that is that", he or she might never know what you were thinking

You and that Glasses Hyung fought because you guys weren't honest with each other
Your personality can be so frustrating sometimes

I mean So cool!

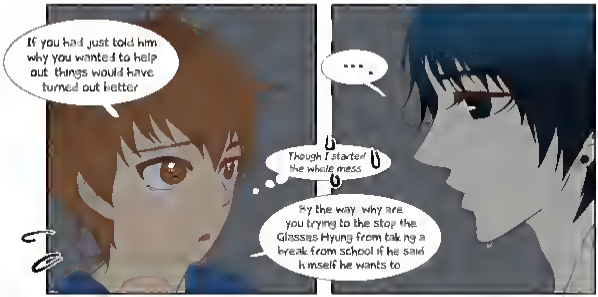
I think his stare could poke a hole through my forehead



If you had just told him why you wanted to help out things would have turned out better

She cares about you a lot.
And when you're mad, she worries that she might have something to do with it

You care about your Nuna a lot.

Even so, where's your respect? You can't say "Hanam", you have to call her Nuna

And your name! How can you get your own name wrong? You're not Gaon your name is Garam

So, did you come all this way just to tell me that?
Looks like the rain won't stop soon
Why you of all people?

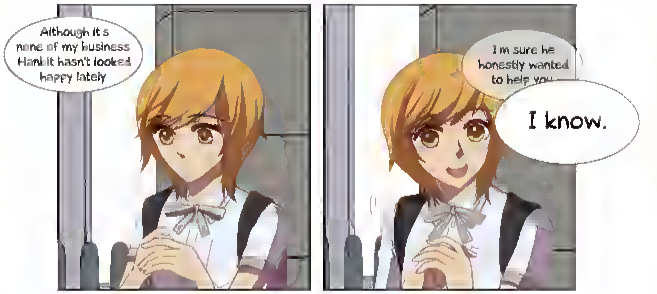
One hour?! What is Gaon doing?
He might have pulled a fast one on me. Do you think he left already?

No way!
You know better
than anyone else that he's not like that
You're right. He's not that kind of person

But he still hasn't come
He's probably coming soon

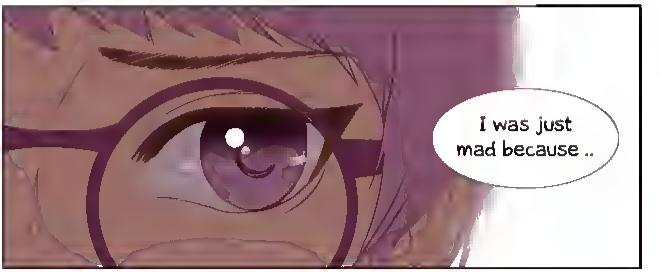
You came here because you were worried about us huh?
Bakha-oppa told me what was going on.

Sigh.. Not only is he stupid and ridiculously strong, but he gossips too..
No I begged him to tell me..



Although it's none of my business Hanbit hasn't looked happy lately
I'm sure he honestly wanted to help you
I know.

I know that he wanted to help me.



I was just mad because ..

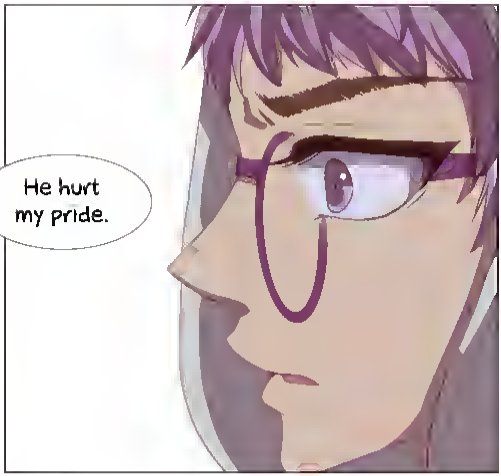
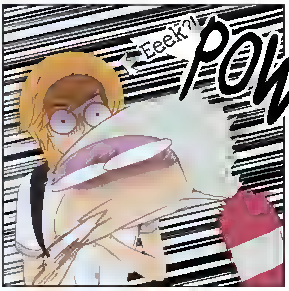
From my point of view, the request was impossible for me to accept. Now on top of that, he's offering to pay for my tuition?

He's going to graduate summa cum laude, so I shouldn't worry about the money?



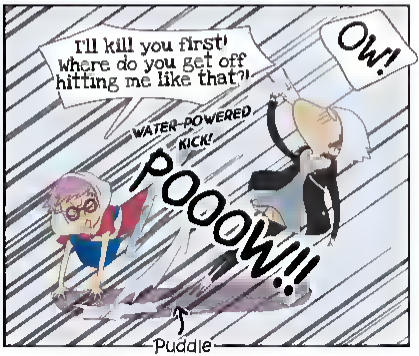
But even so, you should try to be more understanding of each other because you're friends



Eeek?!
POW!!!

You're saying some pretty shitty things in front of a kid
Did you hit me with beer cans?
We came to see if you guys made up but instead you're still sulking?

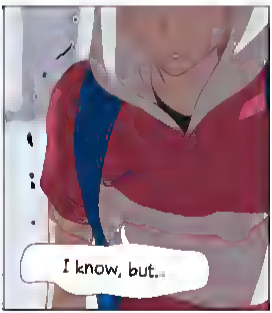
If you really did leave for your parents today, I would have killed you.



I'll kill you first! Where do you get off hitting me like that?!
Ow!
WATER-POWERED KICK!
POOOW!!
Puddle

YOU WANT TO FIGHT, MONKEY GLASSES?!
YOU STARTED THIS, STUPID BEAR!
GRO
OWL~
Stop it, you two.

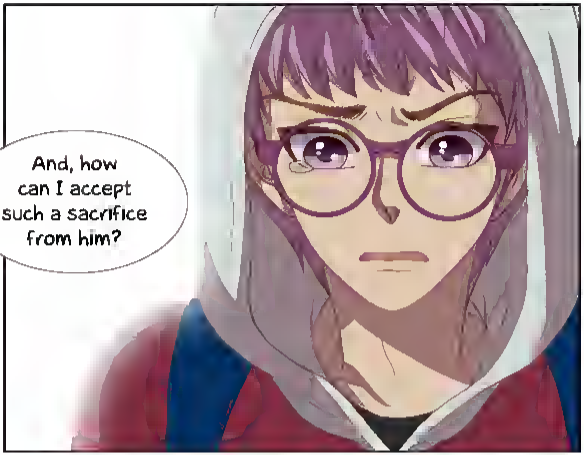
Do you really think Hanbit said all those things to you out of spite? Just let it go.
I already know!



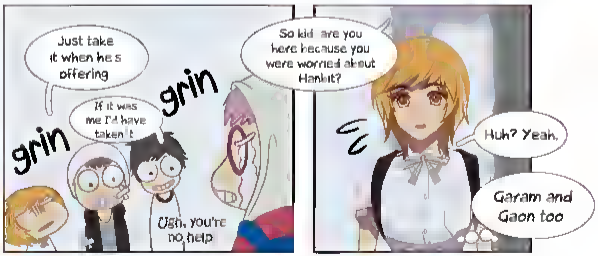
I know, but..

I can't always turn a blind eye to how he looks down on people.

How can I accept his money without swallowing my pride?

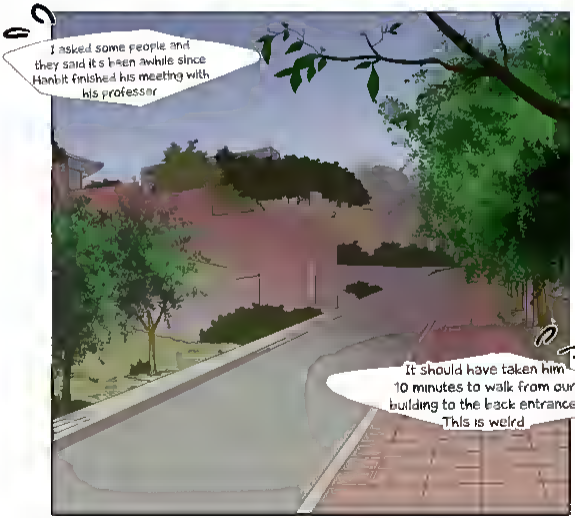


And, how can I accept such a sacrifice from him?

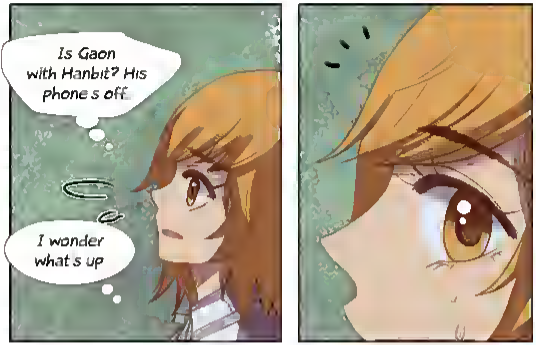


Just take it when he's offering
If it was me I'd have taken it
grin
grin
Ugh, you're no help
So kid, are you here because you were worried about Hanbit?
Huh? Yeah.
Garam and Gaon too

Is that so? Then..

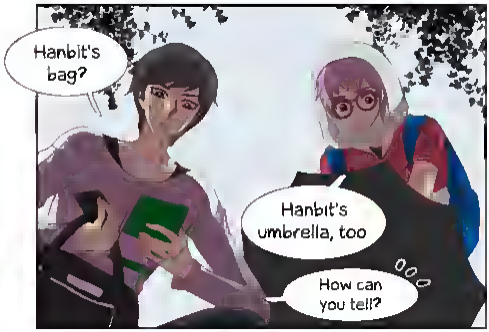


I asked some people and they said it's been awhile since Hanbit finished his meeting with his professor
It should have taken him 10 minutes to walk from our building to the back entrance. This is weird.



Is Gaon with Hanbit? His phone's off.
I wonder what's up

Ran-oppa, Look!

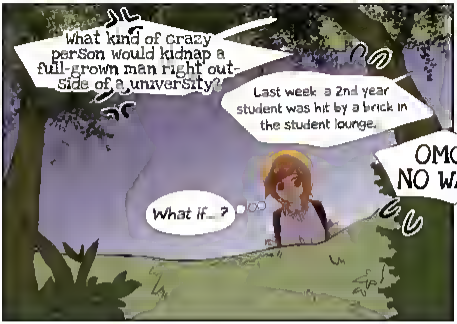


Hanbit's bag?
Hanbit's umbrella, too
How can you tell?

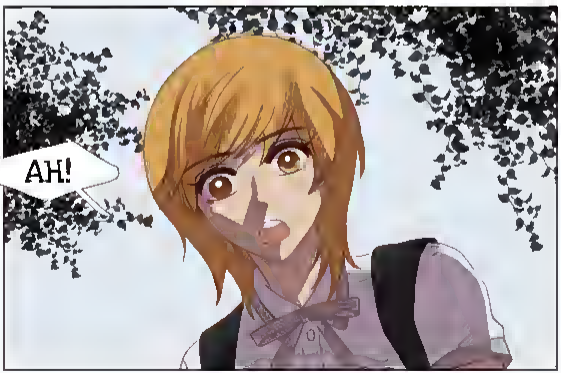
Hanbit writes his name on all his things
The 20 year old who still writes his name on his possessions
Spar kle
What are you going to do about it?

But...
Why are all his things scattered on the ground?
CHILL...

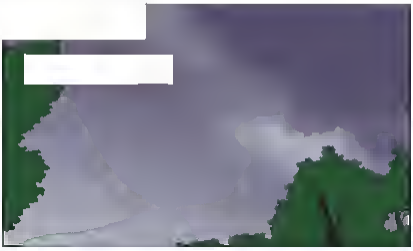
We have to find him!
OMG! Did he get kidnapped?



What kind of crazy person would kidnap a full-grown man right outside of a university?
Last week a 2nd year student was hit by a brick in the student lounge.
OMG! NO WAY!
What if...?

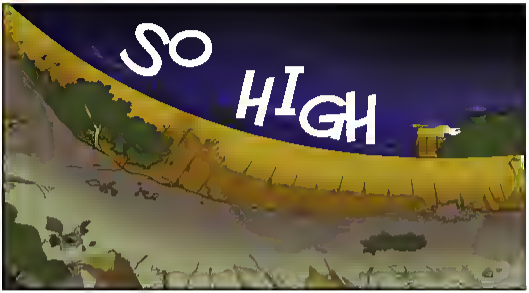


AH!



Hyung-nim, there's a net over there that's supposed to keep rocks from falling down the cliff. We could try to climb that. Do you think you could manage it?
Hyung-nim?

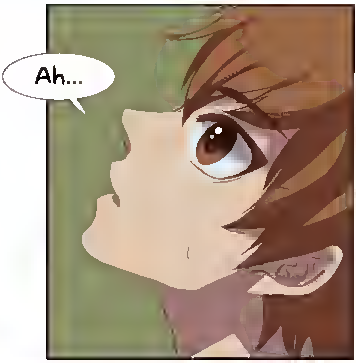
glances



SO HIGH

He's paralyzed.
He seems to be more hurt than I thought so I don't want to leave him by himself while I go get help...

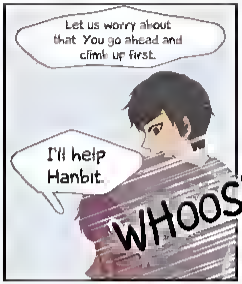
Gaon!



Ah...

Oops, I said Gaon
Ga... Garam!
Oh! They're there?

Get up here, dummy!
I can, but Hyung hurt his leg. It's a bit high for him too.



Let us worry about that. You go ahead and climb up first.
I'll help Hanbit.
WHOOSH!

grumble
How can a full grown man be afraid of such a short distance?
grumble
grumble
Everything about you pisses me off!

Garam (Gaon) made it safely.

He made it.

Flat land...

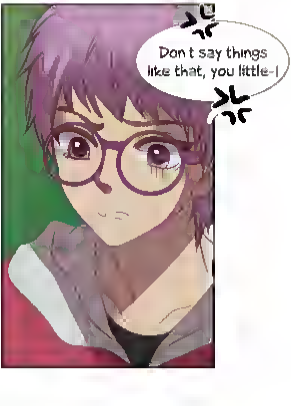
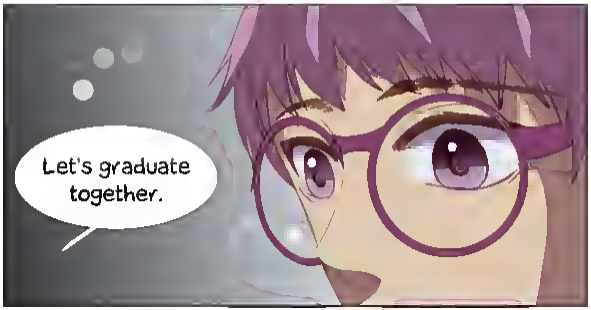
Whoa. I almost died there.
If I fell head first, I would have died



Don't say things like that, you little-!



Let's graduate together.

I suck with words, so this is the only way I can phrase it.
I just wanted us to graduate together.

So, please just take the money.

Thanks.
Are you guys in a romance movie? I'm going to barf.
What a sight. I have to take a picture of this!

Thank you for helping me! Sigh! You really piss me off.

I know. But you piss me off too.
Shut up.
No, you.

Who said I'm giving you the money for free, anyway? You'll be my slave once you get a job. Your paychecks will belong to me.

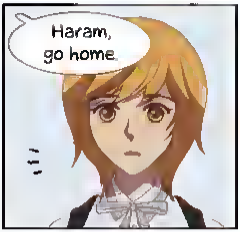
. . . .
;;;;

Can't you just take half the paychecks? That's cruel, even for a friend.

Acting all tough

You idiots! we could have solved all this over some beer~ Let's go drinking!
DRINKING? WHAT DRINKING?! HOSPITAL FIRST!
Okay, okay
stretch
stretch

You're soaking wet. I think you have a fever too. Let's go to my house first.
I don't have a fever.
Yeah you do.



Haram, go home.

Huh? Okay.
Am I bothering him? I know I'm like the 5th wheel but still
I just don't want to worry you
Garam got wet too, so go home and take care of him. If you're late your parents might worry too. Okay?
Oh, this is good. He's improving.

Okay.

Hehe

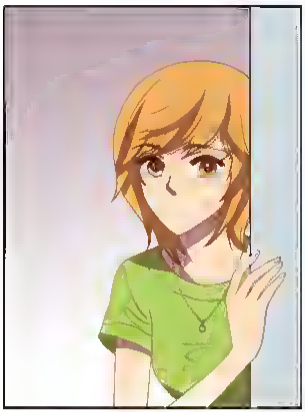
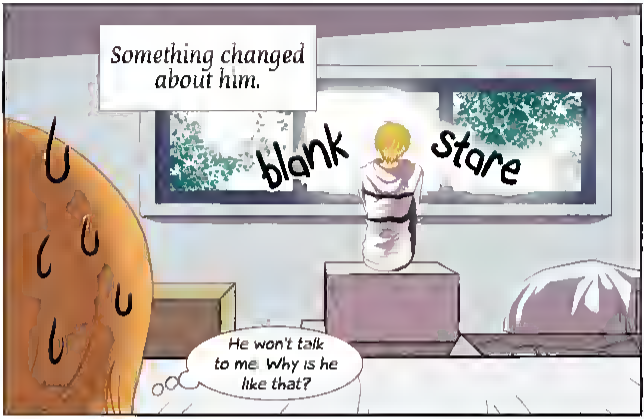
After the mess(?) was cleaned up,

Garam almost caught a cold, but he was fine after a day's rest
I don't know why, but I don't remember a thing. I must have slept the whole day away.
Stupid

And Gaon...





Something changed about him.

He won't talk to me. Why is he like that?

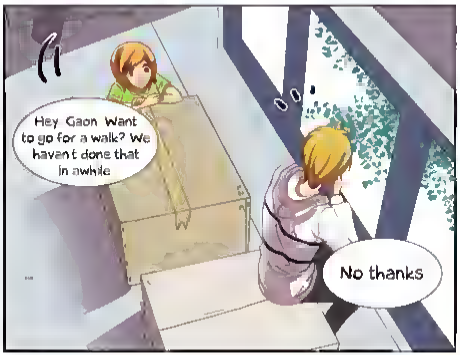
He does everything I ask of him.



Hey Gaon Want to go for a walk? We haven't done that in awhile
No thanks

Then do you want to borrow Garam's body? I'll let you for 5 minutes
He's playing soccer right now. You love being able to walk and run.

I don't want to.

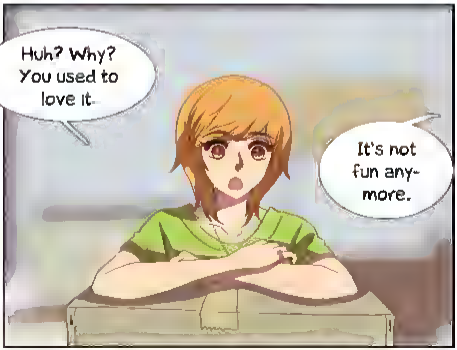
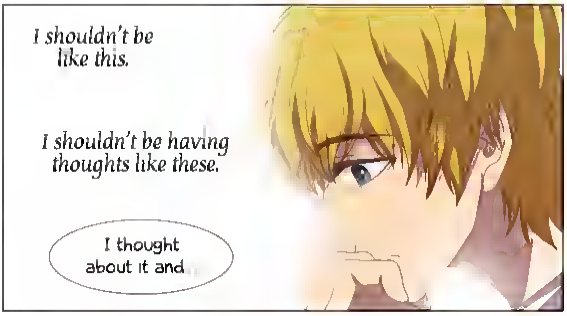
Huh?

I don't want to possess people anymore.

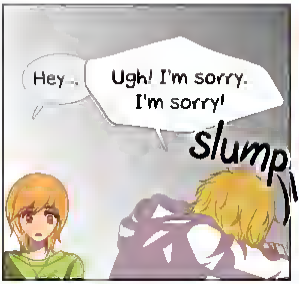


Huh? Why? You used to love it.
It's not fun anymore.



Even if I possessed someone,

It wouldn't be me.



It's because I've been happy lately
I'm so happy that I'm miserable

(SFX: SPARKLE)

(TL: Hanbit's name can be broken into "Han" "Bit" The "Bit" part means "light")

Oh, Kid, you're up?
Even if it's the weekend, you should get up earlier.

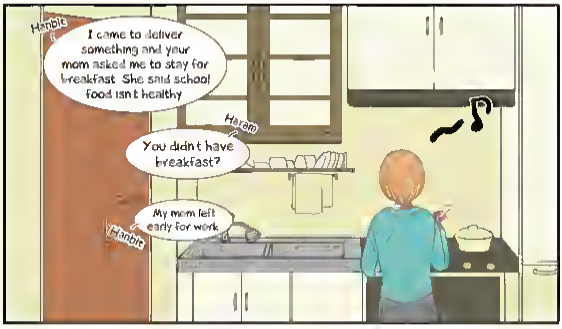
This is bad. He gets more handsome every time I see him.
This is the beanpod effect.*
What are you doing in someone else's living room so early in the day?



Hanbit
I came to deliver something and your mom asked me to stay for breakfast. She said school food isn't healthy
Heram
You didn't have breakfast?
My mom left early for work.
Hanbit

Aren't you on vacation? And why do you have school on a weekend?
I go to the library on Saturday mornings and I tutor in the afternoons

(Note: GPA = grade point average)

Hm.. I want to take a picture with him.
This is a good time to ask but... I'm feeling shy.
Why do you keep turning your camera on and off?
Eek!!
Don't. Don't come any closer!

(Note: V for Victory.)
There.
V!
What?
Take my picture
I can't take it, he's so cute

I was moody with Haram. Seems like I've matured a lot.

There were so may

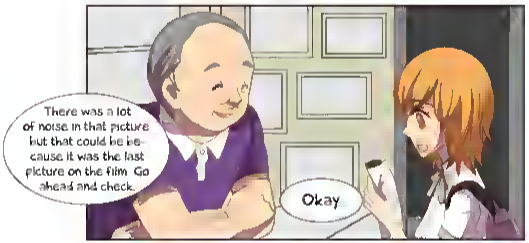
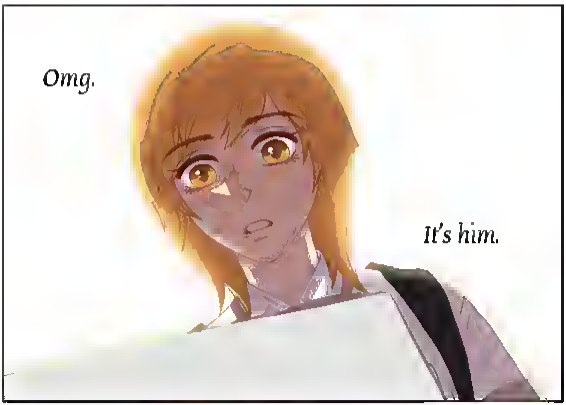
Ah yes
So did Gaon not show
up in the picture?

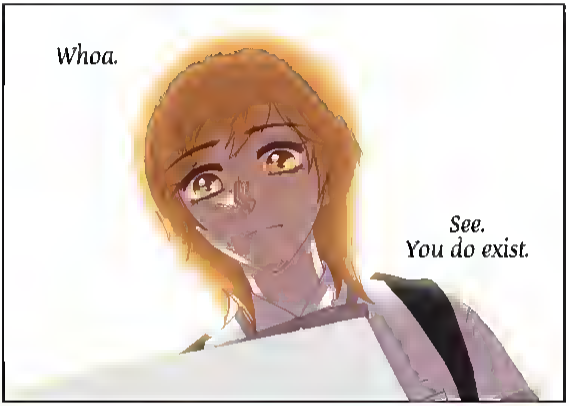
By the way, is the guy in the last picture a friend of yours?

Huh?



There was a lot of noise in that picture but that could be because it was the last picture on the film. Go ahead and check.
Okay



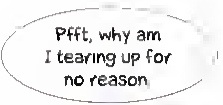


Whoa.
See.
You do exist.

Since
I don't exist in this world

No, you do exist.

I see you.



And we can talk
to each other.

Gaon.

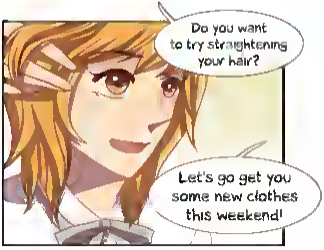
What are you doing?



Do you want to try straightening your hair?

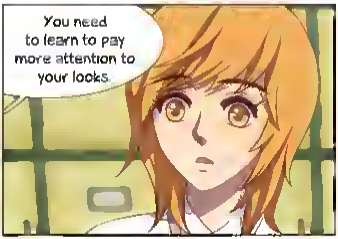
Is that really necessary? I'm okay with the way I am now.

Geez~



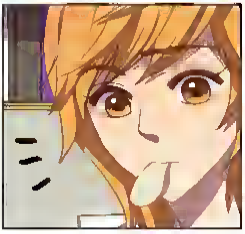
You need to learn to pay more attention to your looks.

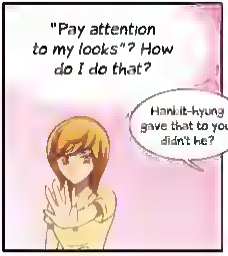
-Chapter 29-
Flower (3)

The people around me-

Are making a big deal out of this! I'm fine!
It's true I told them because I wanted some sympathy, but I really am fine!
It's not like she's his current girlfriend, just an ex from high school!

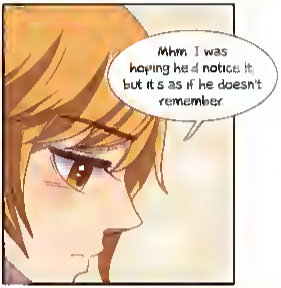
Is he really okay?
Pile~ up~



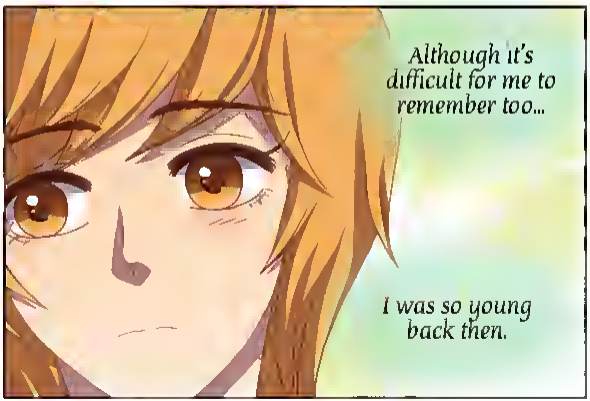


"Pay attention to my looks"? How do I do that?
Hankit-hyung gave that to you, didn't he?

You always wear that outside of school. It's from him, right?



Mhm. I was hoping he'd notice it, but it's as if he doesn't remember.

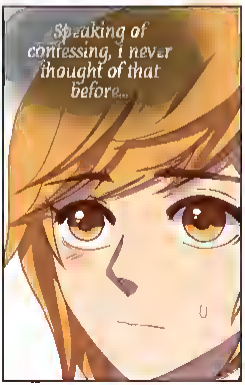


Although it's difficult for me to remember too...
I was so young back then.

When I went to repair the necklace, I asked the shopkeeper about the ring. He told me it wasn't expen-sive, but the gem is real.
KYAAA~
It's like an engage-ment ring, don't you think? Keke.

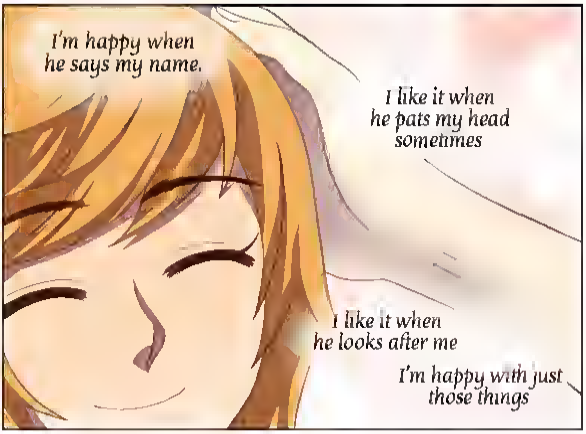
Sorry, I went a little too far with that one.
keke
Well, as long as you know.

Just because you like someone, it doesn't mean you have to date them or confess your feelings.

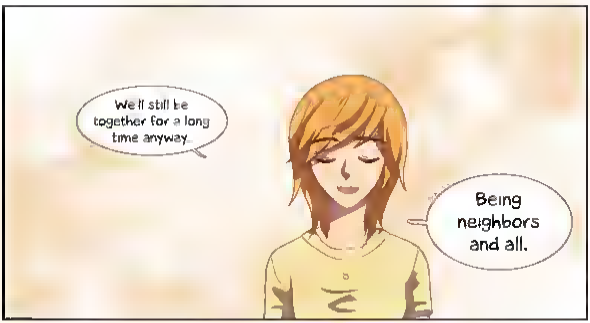


Speaking of confessing, I never thought of that before...

I'm happy just being with him.
Being next to him is enough.



I'm happy when he says my name.
I like it when he pats my head sometimes
I like it when he looks after me
I'm happy with just those things



We'll still be together for a long time anyway.
Being neighbors and all.

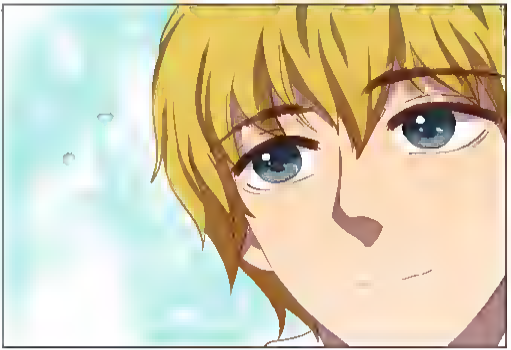
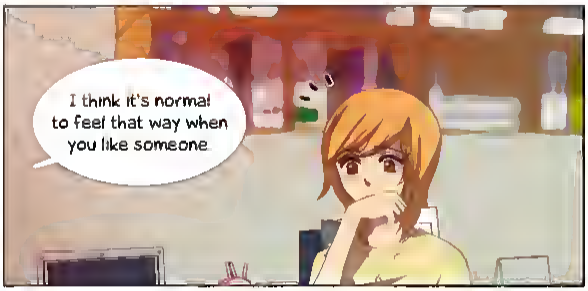
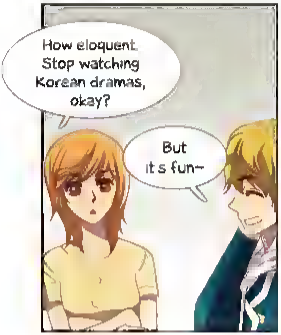
Gosh... What do I do?
Just thinking about it makes me upset.



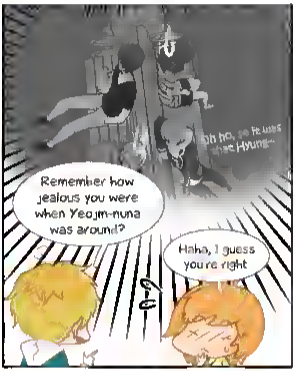


I think it's normal to feel that way when you like someone

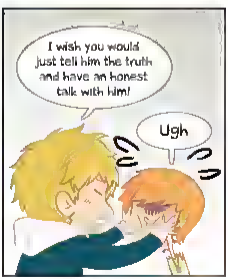
Wanting to have him for yourself, and be by his side
Wanting him to spend time with you
and wanting him to look at only you



How eloquent. Stop watching Korean dramas, okay?
But it's fun~



Remember how jealous you were when Yeojm-nuna was around?
Haha, I guess you're right



I wish you would just tell him the truth and have an honest talk with him!

I'm too afraid...
I'm not ready
Bokshil, do you want to die?

It wasn't because I was nervous or excited about eating with them.

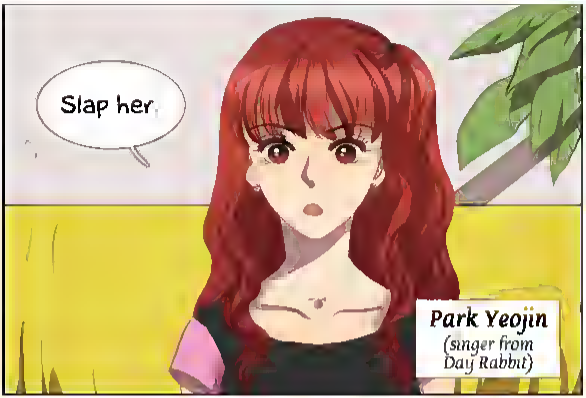
Keep at it, kidda!
WTF consulting



Slap her.
Park Yeojin
(singer from Day Rabbit)

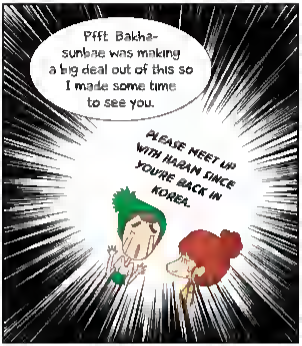
drool
Slap...?

Haram

I heard you were in Japan

I go back and forth

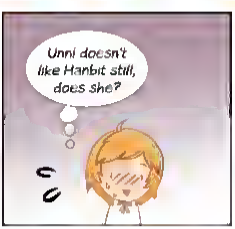
Yeojin



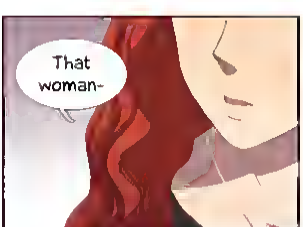
Pfft. Bakha-
sunbae was making
a big deal out of this so
I made some time
to see you.
PLEASE MEET UP WITH HAJAM SINCE YOU'RE BACK IN KOREA.

He said you had a really big issue weighing you down—

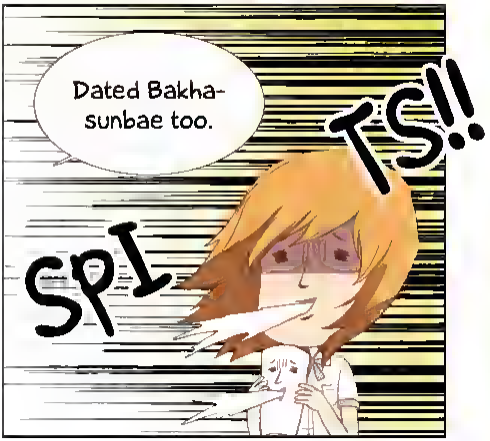
It was about her?!
BURN
ING!!
EEK
Calm down!



Unni doesn't like Hanbit still, does she?

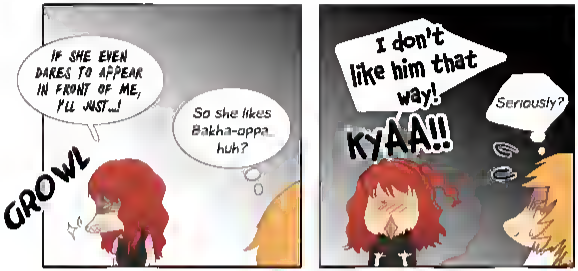


That woman-



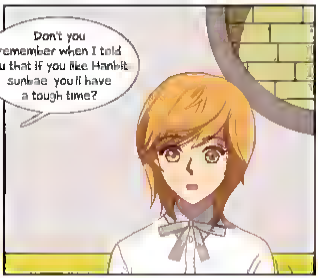
Dated Bakha-
sunbae too.
SPL
TS!!

WTF! Their
lives are
so tangled
together!



IF SHE EVEN DARES TO APPEAR IN FRONT OF ME, I'LL JUST...!
GROWL
So she likes Bakha-oppa huh?
I don't like him that way!
KYAA!!
Seriously?

It's a thing of the past
I'll just let it slide since it's none of my business
I don't know all of the details myself
So Cool~

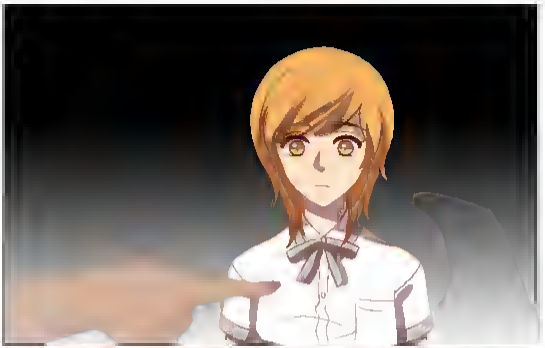


Don't you remember when I told you that if you like Hanbit sunbae you'll have a tough time?

His personality is too bland. Is he a rock or something? He has no feelings for others
Hmph

ROCK STATUE HANBIT
It fits him!

But

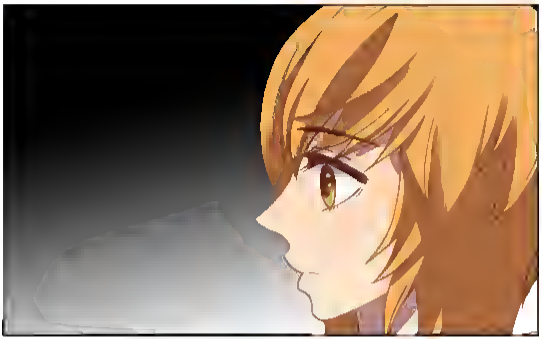


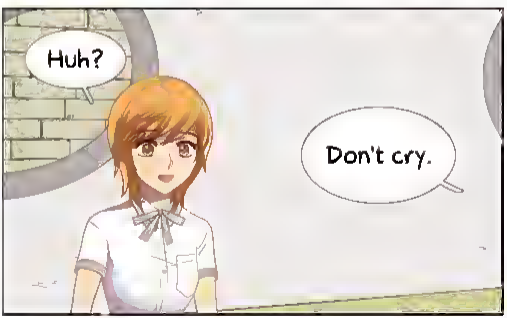
Yeah. But Hanbit is more caring
And kind-hearted than he lets on.

Well of course he's a good person. He's kind and nice. He likes being with people
But liking and loving someone are two completely different things

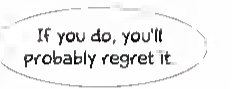
When you confess,

Don't cry.





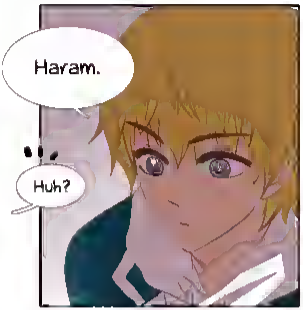
Huh?
Don't cry.



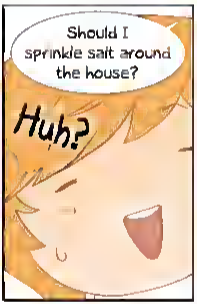
If you do, you'll
probably regret it

LEANS-

Gaon What did she mean by that?
Is she telling me not to cry even if I get rejected?



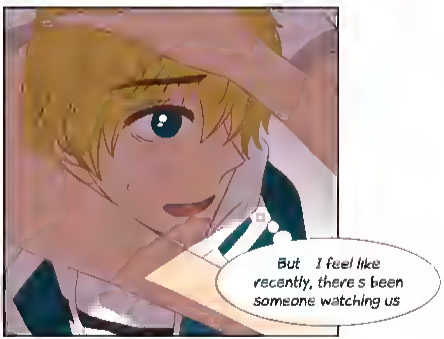
Haram.
Huh?



Should I sprinkle salt around the house?
Huh?

I saw on TV that sprinkling salt is a very effective way to ward off ghosts and demons
Serious

What?! You're a ghost yourself!
EEEK!
ruffles



But I feel like recently, there's been someone watching us

Although I haven't gone face to face with whoever it is, I'm sure it's someone like me
So thoughtless sometimes~
Since that necklace reveals ghosts

Should I have let her lose the necklace when I first met her?

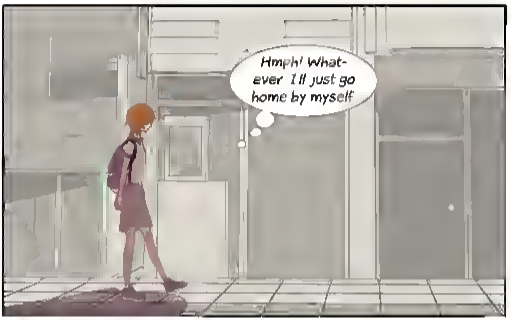
snap

swoosh

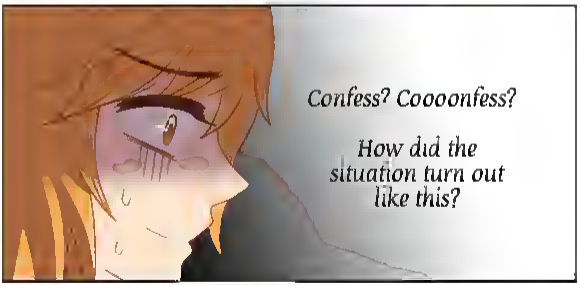
flinch

Haram! I'm going to go look around for a bit!
Where are you going?!

He flew away

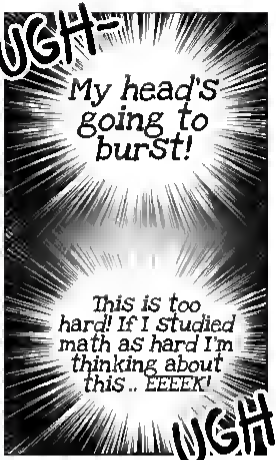


Hmph! Whatever I'll just go home by myself



Confess? Coooonfess?
How did the situation turn out like this?

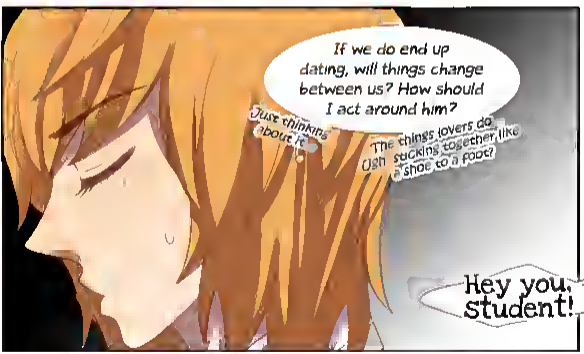
I was just happy spending time with him, until that high school ex came along.
CON-
I don't want to lose him to another person.
I don't want to tell him how I feel and get rejected. What's even worse is getting rejected for being too young for him.
FUSED
MY HANDS AND FEET
Then after that?
How can I face him after that?!
ARE GETTING SWEATY.



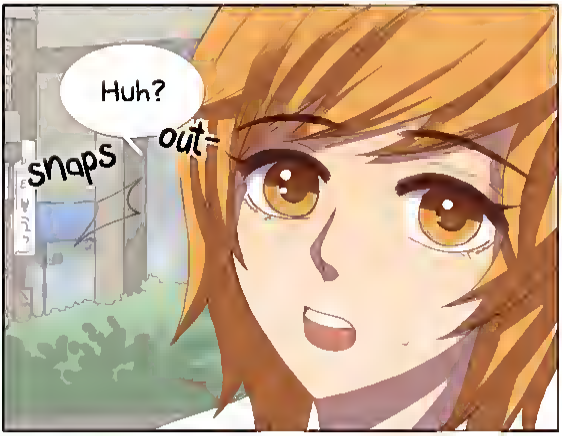
It's fascinating when I watch dramas or see my friends. They don't worry about the future

and they have no problems confessing their feelings

And if...
dent



If we do end up dating, will things change between us? How should I act around him?
Just thinking about it.
The things lovers do
Ugh sucking together like a shoe to a foot?
Hey you, student!



Huh?
snaps
out-

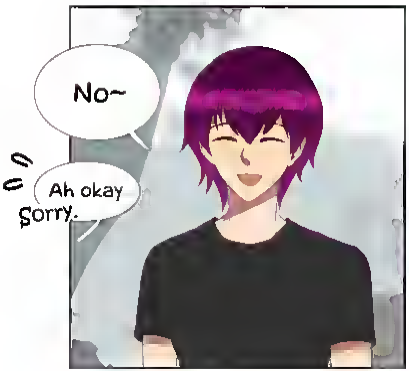
You dropped this.

Oh! My travel pass!
rushes!!
It's yours, right?

(TN: 3000 won = $2.59 US)
omg~
Yes! There's still well over 3000 won left on it!

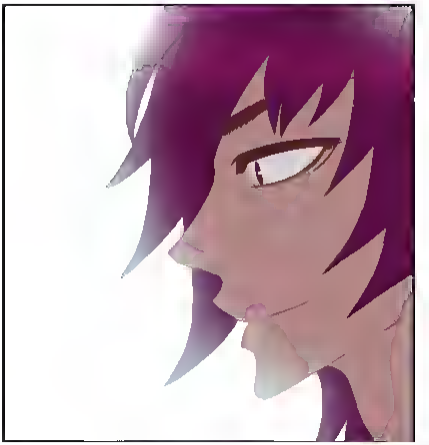
Thank...

...you.



Then thank you I'll be on my way now

Be careful from now on



That's enough for today.

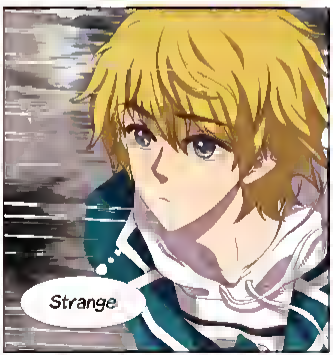
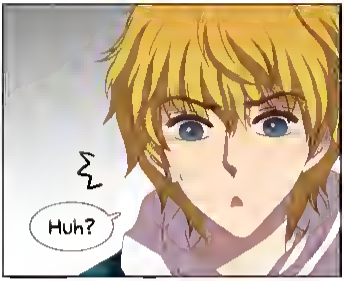
Haram! I'm going to go look around for a bit!
Where are you going?!



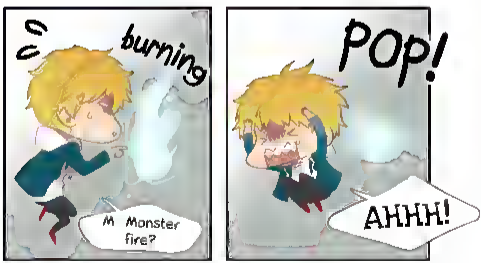
Strange

This negative feeling
I've been feeling it everywhere

Here!



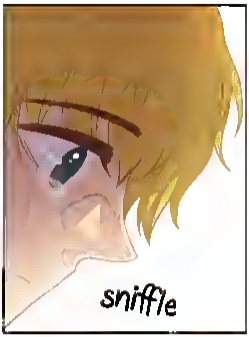
Huh?



burning
Monster fire?
POP!
AHHH!

What?
What is this?
Why did
it disappear?
It scared me

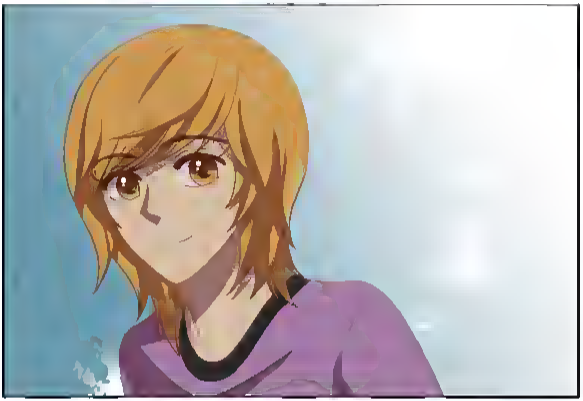
It's driving
me nuts
I can't tell
what's going on



All these "incidents" that have been happening lately are hard to deal with.

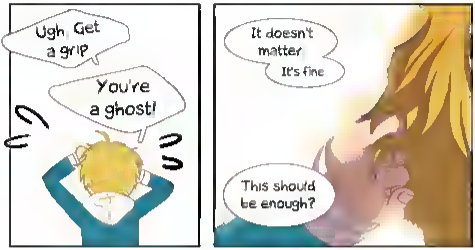
If it's too hard to deal with, why not leave?

But...

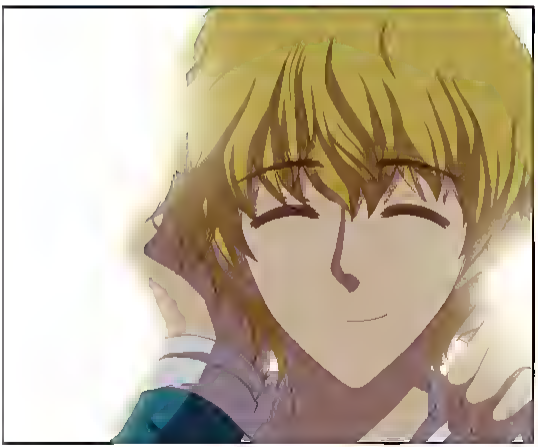


Where would I go?

Sque
eze



Ugh. Get a grip
You're a ghost!
It doesn't matter
It's fine
This should be enough?



Time to
go back then

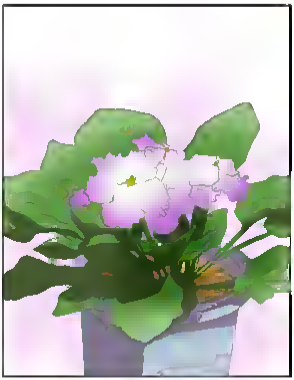
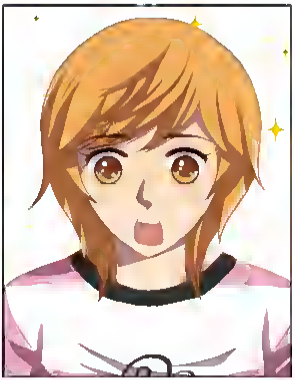
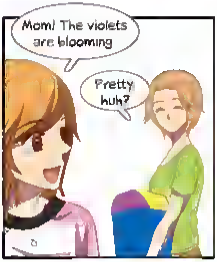
-Chapter 31-
Flower (5)

Looking back at it,

I think it was because I've been too happy since this morning.



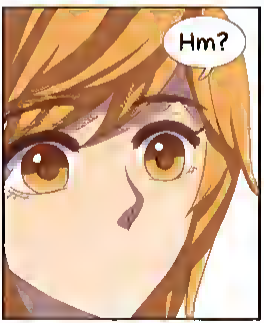




Mom! The violets are blooming
Pretty huh?

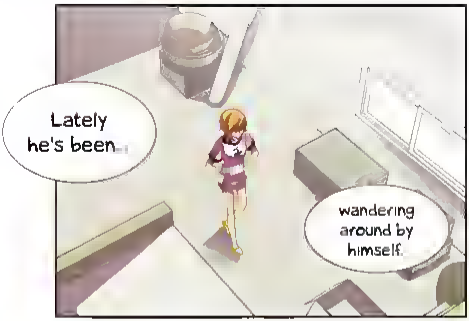
I want one in my room!
Do you want to go out and buy a couple more then?
Yes!

PU
Gaon! Let's go on an errand together!
SH!!

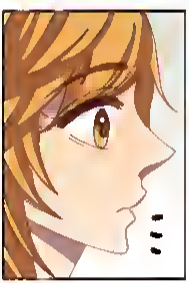


Hm?

He's not here.

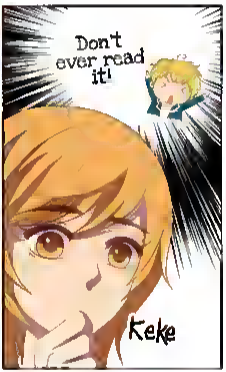


Lately he's been...
wandering around by himself.



Gaon's Diary

Ah ha! He's filled up a lot of pages
I guess it's been a few months since we first met each other



Don't ever read it!
Keke

I won't, silly~
I should buy him another one since he's running out of pages to write on.

Where are you off to, Haram?
Hello! I'm running an errand
Alright

It's been so hot since this morning
So next week is vacation.

Ah, right! I'll stop by the flower shop on the way!
Ah!

Flower shop owner's son Chang Mokyun

Finally, my name is revealed! I am Hanbie's friend and my family owns a flower shop!

Ran: What are you going to do over the break?

Baktha: Some extra-curriculars

chatter~

chatter

Mokyun: Some tutoring and get a part time job

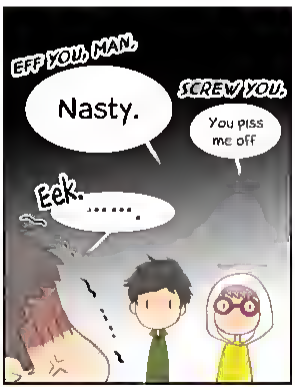
Ran: When is Hanbit coming?

Mokyun: He said he's nearby

Ran: Hey I heard you finally succeeded with that singer girl

flinch

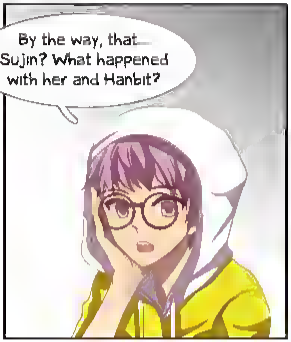
Hahaha!! Skills!
It's actually been awhile since we started going out I have a certain charm, y know.
He cried so much when Yeojin was leaving for Japan that she felt sorry for him and agreed
huhu~



EFF YOU, MAN.
Nasty.
SCREW YOU.
You piss me off
Eek.
.....

I picked up a lot of gossip about idols
One of the girls in Yeojin's group is dating the leader of Aid.
Huh?! What about BB?
An idol
Kekeke.
I heard BB is dating a baseball player or something

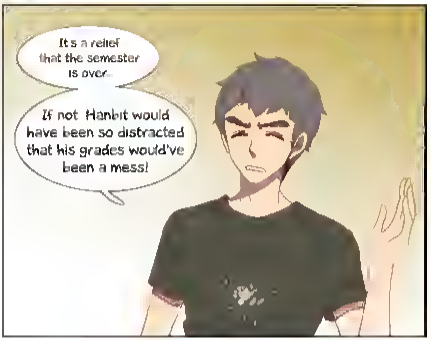
Ugh, now I wish you hadn't told me
I'll make it all better



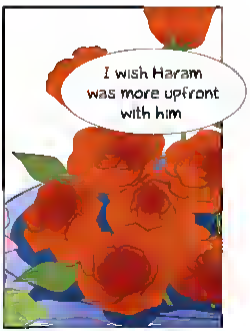
By the way, that Sujin? What happened with her and Hanbit?

It's no laughing matter. I'm afraid of her
I did yell at him to get his act together

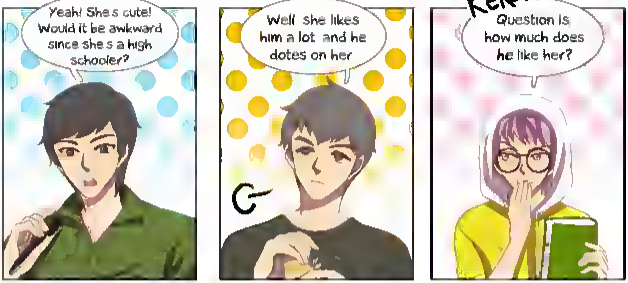
But it's rather impressive that he's able to even face her



It's a relief that the semester is over.
If not Hanbit would have been so distracted that his grades would've been a mess!

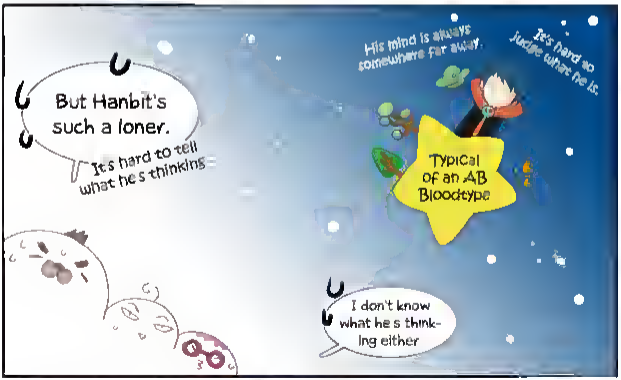


I wish Haram was more upfront with him



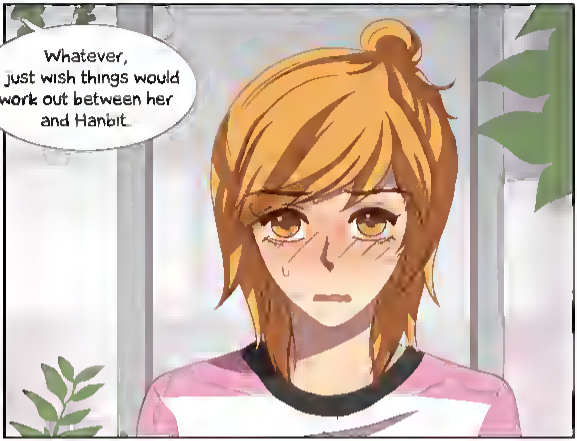
Yeah! She's cute! Would it be awkward since she's a high schooler?
Well she likes him a lot and he dotes on her
Kekeke
Question is how much does he like her?

Drama can happen even when 3 guys get together. It's actually scarier than girls.



But Hanbit's such a loner.
It's hard to tell what he's thinking
His mind is always somewhere far away.
It's hard to judge what he is.
Typical of an AB Bloodtype
I don't know what he's thinking either

(Note: In Korea and other East Asian countries, there is a belief that bloodtype is linked to a person's personality similar to the idea of astrological zodiacs connection to personality. You can read more about it on wikipedia.)



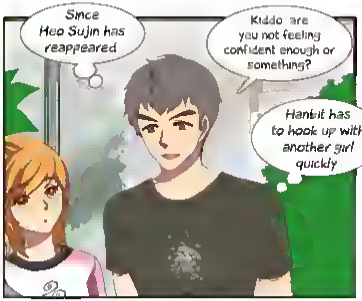
Whatever,
I just wish things would work out between her and Hanbit.

RAAAAAAAAWR
WHAT...ARE YOU GUYS TALKING ABOUT?
KYAA
SPITS

Don't talk about people behind their backs!
And give me some flowers!
We're very sorry

Why are others making a bigger deal about this than me?!

Hm.



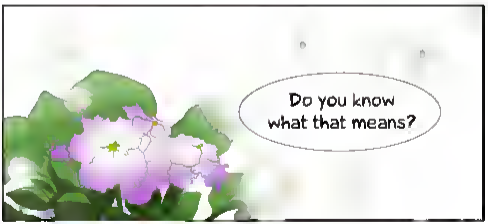
Since Heo Sujin has reappeared
Kiddo are you not feeling confident enough or something?
Hanbit has to hook up with another girl quickly

Yes_Hanbit's all grown up and I'm still young_
I was just a playmate to him.
And I'm satisfied with what I have now
So corny~
hehe
Cute~
How do you feel about that Unni you saw yesterday?
I hate her! So much!
SHOUTS
Oops that was a bit loud.
kekeke
blush

Should I prod her some more?
Hehe

Here two violets
Want me to tell you something good?

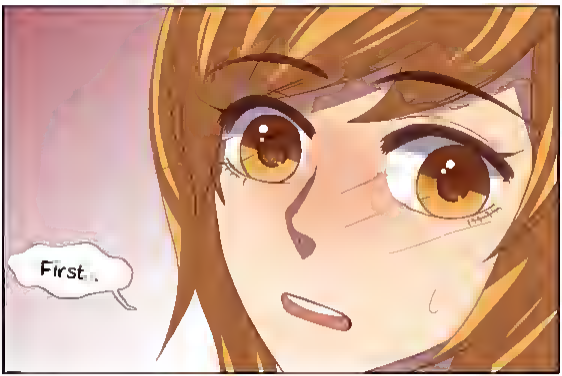
Hanbit hasn't liked anyone yet
...!



Do you know what that means?

Whoever can snatch his heart,
will be his first love.

What about me?
?
Haram? What are you doing?



First...

The reason why I
wanted him so much
right then.

I've been too happy
since the morning.

I blame the violet
I was holding.

It's because Bakha Oppa
said those things.

It's because.

That must be the reason why
I spoke without thinking...

Oppa...

I like you.

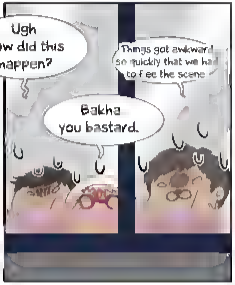
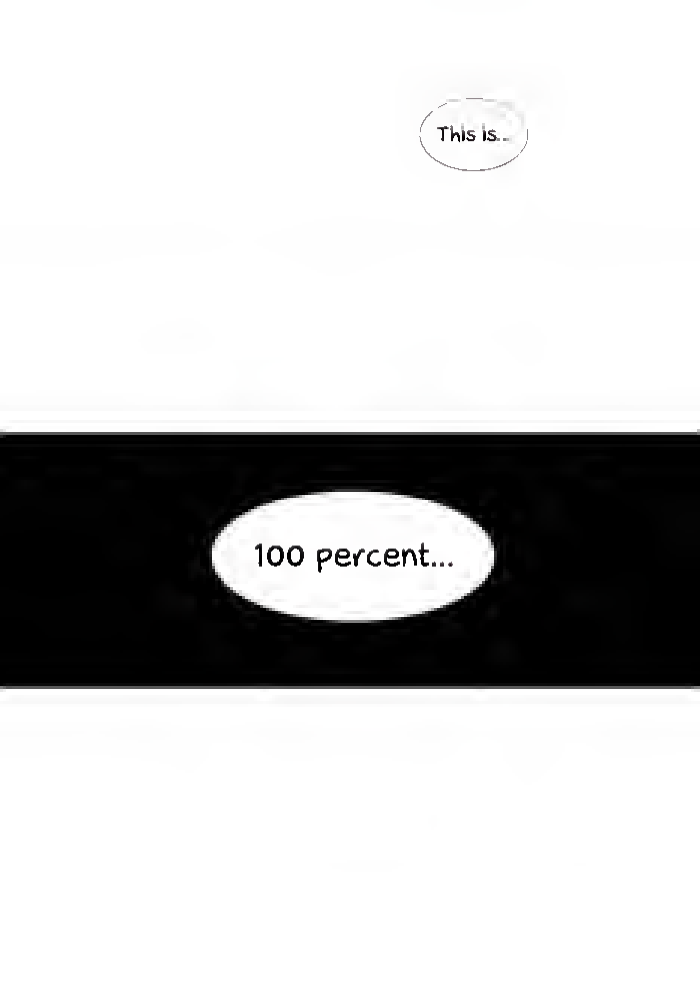
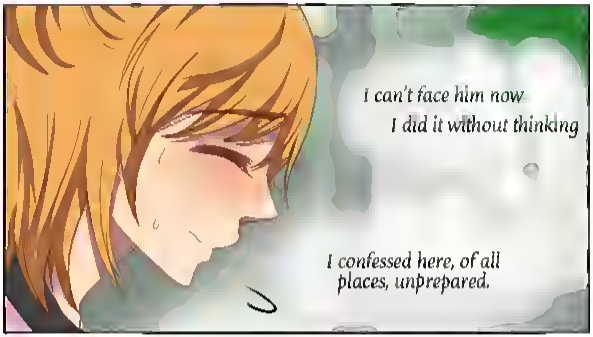
Hiding outside for now!



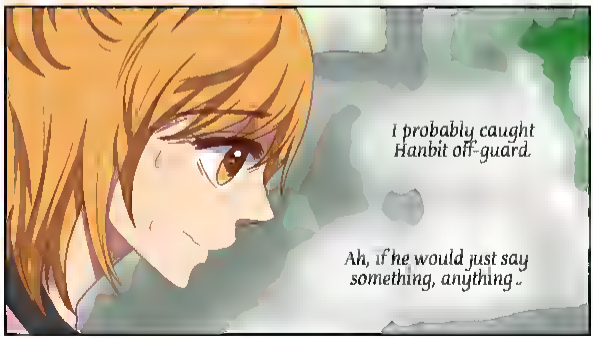
What
should we do
with the kid?



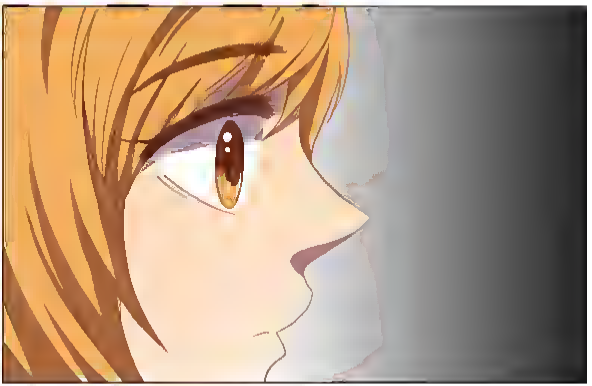
This is..
100 percent...



I can't face him now
I did it without thinking
I confessed here, of all places, unprepared.

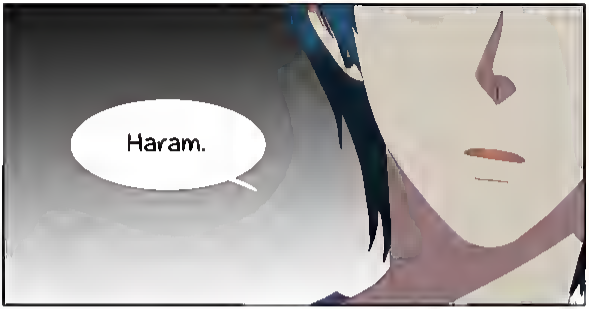


I probably caught Hanbit off-guard.
Ah, if he would just say something, anything..



Ah.
The flowers.

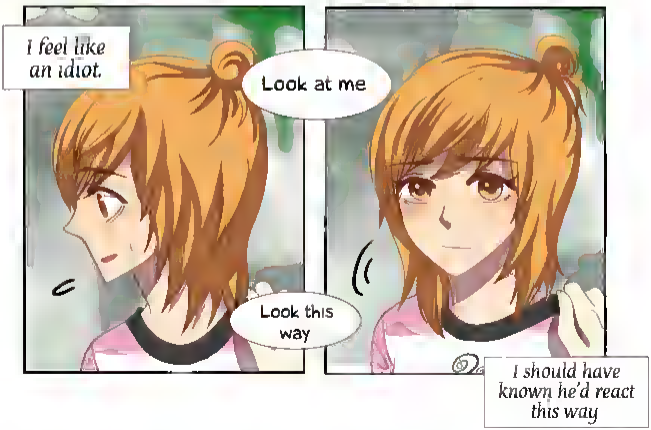
-Chapter 32-
Ring



Haram.

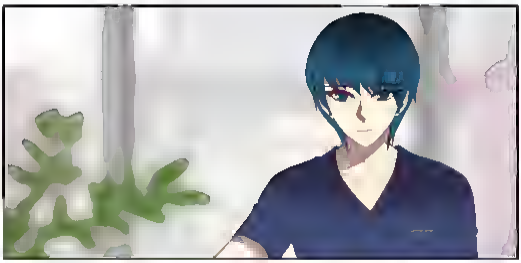
Um... Uh-um Hold on a second Don't say anything yet
Woah Suddenly the reality of the situation hit me

steps closer
Haram
glances
away



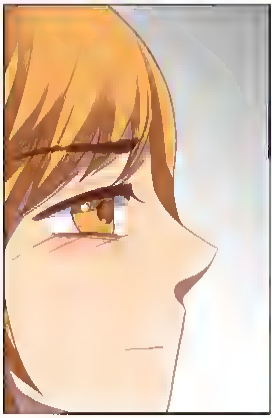
I feel like an idiot.
Look at me
Look this way
I should have known he'd react this way

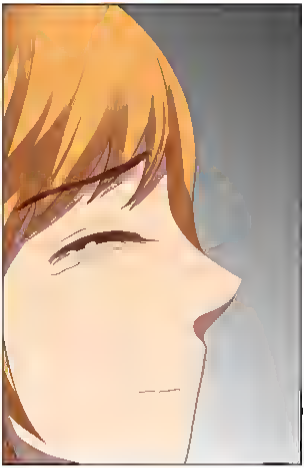
Even so,
Even so..



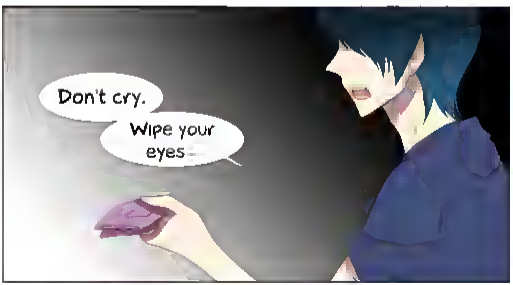
I like you too, but in a different way.
I don't know.
I think of you as my little sister. I'll always think of you as family.
I can't hear him.

I really
want him.





No No
Haram
Wait



Don't cry.
Wipe your eyes

Hanbi
you

You're an idiot, huh?

I won't cry.

You always want to comfort someone.

Don't cry.
I wonder what should be done about that.

Okay.

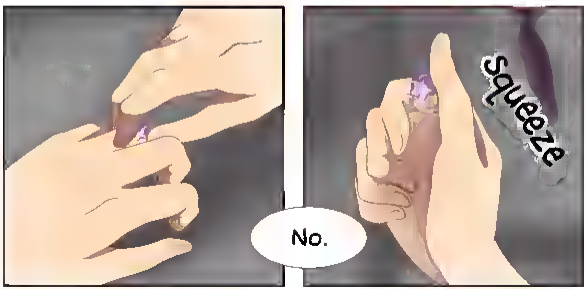
I'll do what you want

I'll do anything you want
I'll go out with you.
So,
Don't cry.

You shouldn't like my oppa.

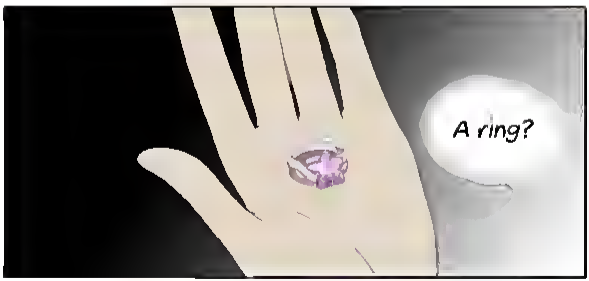
실렛세탁소
청룡마트
I was worried about you, so I'm warning you ahead of time.
Anyway, if you start to like oppa as more than a friend, you shouldn't expect anything from him.
Because it's only going to hurt you.

Ah, so this is how it is



If that's how things will be, I don't want it.

Take this back. I don't need it
How silly of me.
TAp!
There's no point in keeping this if you don't even remember



A ring?

I'll be going now!
Haram, wait
If you follow me I'm going to cry a river!

SLAM
OMG
KYA!

SHE'S ON FIRE.
GRRR
RRRR

Haram~

GROWL
GO DIE.

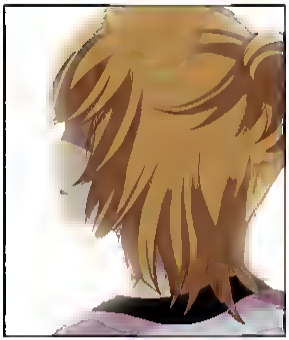
Boohoo
She told me to
kill myself

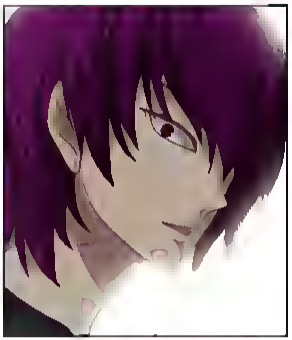
It's been quite a while since they entered the flower shop
Is it because that boy next door came too? What's taking them so long?
Maybe I should have met with her earlier today...

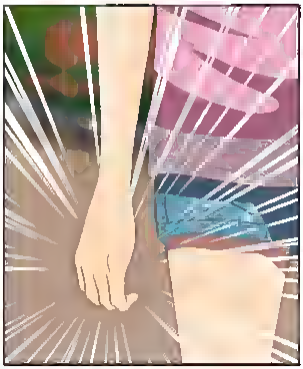
gets up

Smiles
Hey! Yesterd...

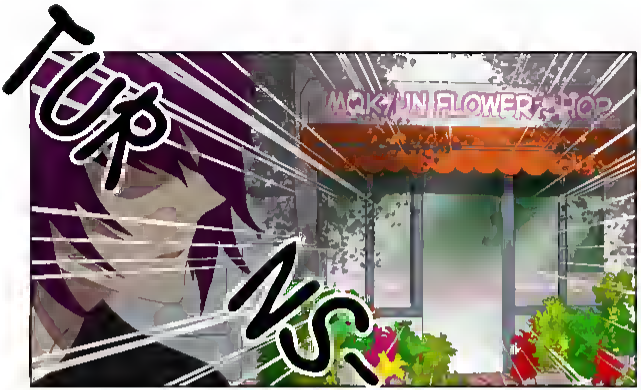
WHO
OSH



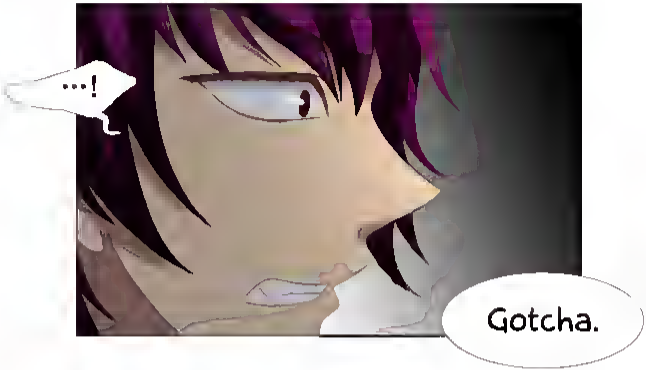




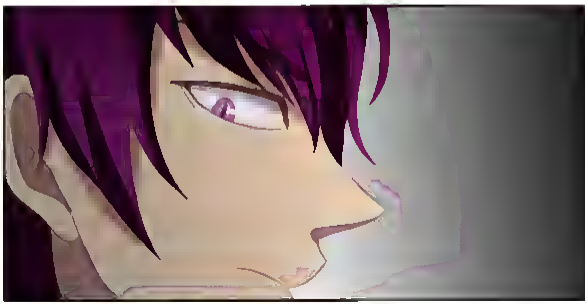
It's not there...!

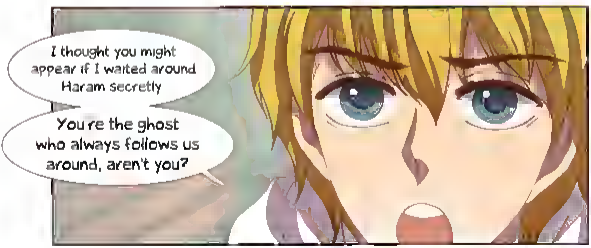


TUP
NS
MOKYUN FLOWER SHOP

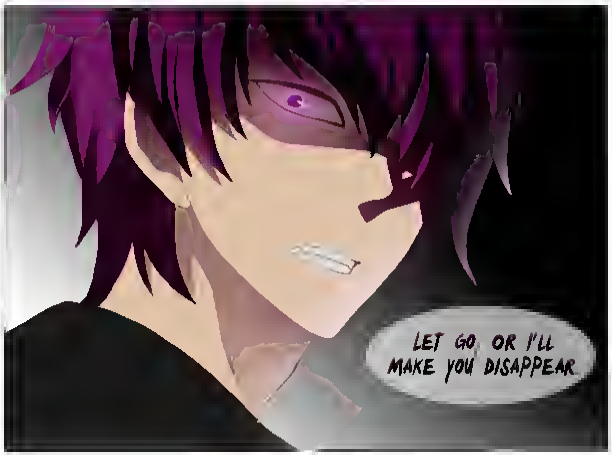


...!
Gotcha.





I thought you might appear if I waited around Haram secretly
You're the ghost who always follows us around, aren't you?



LET GO, OR I'LL
MAKE YOU DISAPPEAR
